Petition of Fazl unnissa Begum for an enhanced Mutafarrikat Pension

S.R.A. File No. 25 — 46/37 — of 1938. | General and Revenue Secretariat

DEWAN'S OFFICE 1-7-39

The pension was continued to the petitioner on a reduced scale, as a matter of grace, after obtaining the report of the D.C. Mysore who stated that the family is a respectable one in poor circumstances

H E.

The reduction of pension by half in the case of these non-hereditary grants, seems to be done on a general principle.

There seem to be no fresh grounds to reconsider the order passed last year

22/6

This is a Mutfarkhat pension case. In accordance with the precedents, the Finance Department suggested on 21-4-38 that half the pension which was being allowed to the petitioner's mother might be allowed to the petitioner from 26th December 1937. This was approved by the Dewan. The original pension being Rs 3-8-0, half the pension allowed to the petitioner is Rs 1-12-0 per mensem. This pension is payable only during the life time of the petitioner, and the pension may perhaps be raised to the round sum of Rs 2-0-0 per mensem(instead of Rs 1-12-0) from 26th December 1937.

The Chief Secretary

B a n g a l o r e .

Respected Sir,

I am indebted to you and the Government of His Highness the Maharaja of Mysore for having granted to me a moiety of the Mutafarekhat pension of Rs 3-8-0 per month enjoyed oy my mother late Razia Begum in G.C.No.Fl.6975-76/S & A 268-37-6 dated 13th May 1938 on my petition to you dated 17th February 1938.

While thanking you and the Government for the orders above referred to in my favour, I beg to place before you the following few lines for your kind consideration and favourable orders.

The pension now granted amounts to Rs 1-12-0 per month and this is hardly sufficient to meet the ordinary requirements of food of a poor lady like me for a period of one month.

There are several instances in which the benign Government of His Highness the Maharaja of Mysore have conferred on a successor to the pensione the full amount of the pension whenever the pension awarded itself is small.

I am the only heir to the late pensioner Massamath Razia Begum, and I am not placed in any better position than the pensioner herself, and as such the full pension of Rs 3-8-0 per month - would at least be enough for a meal a day.

Under the circumstances, it is humbly submitted and prayed that your Honour might be kindly pleased to reconsider her petiable case and to recommend the enhancement of the pension now granted to its full value and help your poor applicant in eaking out her livelyhood by the grant of the full pension of Rs 3-8-0 per month as she finds it very hard to live with the help of the small amount - kindly granted to her by the benign government.

For which act of kindness, your humble petitioner ever prays.

I beg to remain,
Respected Sir,
Your Most Obedient Servant,

14th June 1939.
